

Be Prepared !!

In this world of terrorism and suicide bombers we as Veterans know the importance of being prepared. I don't mean having an armory in your basement. I mean being right with GOD. Some of us have had to face the enemy and remember getting an opportunity to pray with a chaplain or a priest before the battle, share that experience with someone or group during this time around Memorial Day. The battle is here and our enemy seems to be among us, take the opportunity you have been given and pray. Pray with your family and friends, pray for the leaders of this nation, The United States of America, for our President George Bush, most of all pray for our enemies.

"FATHER in Heaven we thank you for this opportunity to come before you, through our LORD JESUS CHRIST, that we together with our enemies, will find the strength by Your example and the HOLY SPIRIT, to turn away from the sins of this world and find the PEACE of your promise in Redemption with GOD. Humble us LORD that we might overcome the blindness of our own comfort. Strengthen us as to bare the pains of compassion in helping our fellow human beings overcome their pains of hunger and fear. Open our hearts to your ways and turn us from temptation, that Your WILL be done."

We are all part of GOD`S Creation. Let us ask him for the faith we need to make it through this life with the joyful expectations of seeing ALL the richness of His WONDERS.

Let us continue to use the most POWERFUL method of dealing with, EVIL, PRAYER to the LORD GOD ALMIGHTY!!

May the PEACE of the LORD JESUS CHRIST, and the LOVE of GOD, and the COMMUNION of the HOLY SPIRIT be with you

ALWAYS.
